25X1A 4. (Secret - GLC) Colonel White and Messrs. Colby, [] and [] met with Bill Woodruff, Counsel, Senate Appropriations Committee, and Colonel White briefed Woodruff on developments concerning the release of funds to cover the liquidation of certain programs of the Radios. Woodruff said he had no objection to the action being taken and commended the Agency for "scrubbing down" the requests made for the release of these funds. He recommended, however, that letters be sent to Chairmen Ellender and Mahon advising them of the action being taken. Mr. Woodruff reiterated a statement he has made on a number of occasions before that he felt it highly desirable for the Congress to include an open line item for the total CIA appropriations. See [] Memorandum for the Record.

5. (Confidential - GLC) Talked with Ed Braswell, Chief Counsel, Senate Armed Services Committee, and advised him of the request from Lowenstein and Moose, Senate Foreign Relations Committee staff, which had been relayed to us through the State Department (see Memorandum for the Record of 22 December 1971). I told Braswell that the questions raised by Lowenstein and Moose would be taken up with the Director on his return, but asked Braswell if he had any thoughts on the matter. Braswell said he thought that as a member of the CIA Subcommittee Senator Symington was entitled to information on Agency personnel but he saw no grounds for providing this information to Senate Foreign Relations Committee staff members. He commented that even our own Subcommittees do not ask for information on operational personnel.

MEMORANDUM FOR THE RECORD

SUBJECT: INR Intelligence Memos to Foreign Relations
Committee of Senate

1. As a result of a discussion at this morning's meeting with the Acting Director, I called Ray Cline to set up an arrangement for us to be informed of INR memos which have been passed to the Senate Foreign Relations Committee.

2. Ray was receptive. He explained that copies of INR memos dealing with less sensitive source materials are passed to State's legislative liaison officer. If that officer feels that a memo should be passed to the Committee, he will get clearance from INR. Occasionally, an INR memo will be prepared in response to a specific request from the Committee.

3. I asked that Ray send me a list of all INR intelligence memos which have been sent to the Committee in the past month and those on Laos in the past year. Ray agreed. I also asked that he arrange to send us a weekly report (including a negative one, if appropriate) of memos passed from now on. He agreed, although he thought that weekly was probably too frequent.

4. It should be noted that the Office of the DDI is on regular distribution of all INR memos except those that are limited to high-level people in the Department.
